About PDXposed

PDXposed has revolutionized the concept of locally-produced television. Brought to life in 2004, PDXposed is the creation of two great media minds, Jon Olson (Host, Writer and Executive Producer) and Josh Martin (Senior Editor and Cameraman). Over the past four years Jon, Josh and the rest of the PDXposed crew have created a new concept of how television should be presented and produced; fun and positive television of the highest quality.

PDXposed has been recognized regionally and nationally by its peers, fans and the television industry. Recently, PDXposed was nominated by the 43rd Annual Emmy awards in its first year of eligibility in two categories: "Entertainment Special or Series," and Jon Olson was nominated in the category of "Host/Talent - Non-News." In the last five years, PDXposed is one out of just two Oregon entertainment series' to be nominated, and Jon was the only Oregon host nominated during this time.

Producing a high quality, fun, positive TV show featuring all the wonderful things Portland and Oregon has to offer is Jon's passion. A little about our host - Jon Olson has an assorted background in both music and acting. Raised in South Dakota, Olson grew up playing trumpet in swing bands and has also played music professionally. Jon is a professional actor, musician and voice-over talent. Currently, Jon is hosting Portland's **number one arts, entertainment and travel TV show... PDXposed.**

Thanks to its popularity, PDXposed is moving to KGW - Northwest NewsChannel 8 in September 2008. **KGW is Oregon's #1 network that just won sweeps for the 3rd time in a row.** In addition to being viewable every Saturday night at 7:00pm, it will also be on Comcast Cable.

Tune in and see all the fun that Oregon has to offer!

Why Sponsor?

Isn't it time to get great eXposure for your company?

Portland's number one arts, entertainment and travel TV show - PDXposed - is a fun positive TV show that wants to get you involved!

We're going to Oregon's #1 network (KGW NewsChannel 8) that just won sweeps for the 3rd time in a row, in a coveted time slot (7p on Saturdays). Additionally, there is the opportunity to get cross promotion with commercial advertising on Comcast Cable - and don't forget exposure on the PDXposed website.

What better way to let the public know about your business than be a part of an Emmy-nominated show that makes you feel good?

"I was up late tonight watching your show 'ON DEMAND'. I have got to say something: IT REALLY ROCKS! wow, the show is soooooo exciting. The stories are interesting, fun, and informative. The camera work and editing is superb."
~ Austin Reed, Tenn Edition Creator & KPTV Reporter

The first show aired in January 2004 and is now in its third year. Since its inception, PDXposed has significantly increased its fan base. Isn't it time to take advantage of it?

Sponsorship is your organization's opportunity to be involved in a nontraditional type of marketing. Sponsors can sponsor content, segments, bands - there is no other television show out there that lets you do this.

Available sponsor packages are described on the following pages. We value our sponsors input - it's important to us that the sponsorship makes sense to you. We customize our sponsorship packages to fit your needs, so let us know how we can help make your sponsorship all it can be!
